Teppanyaki “Yuan” is available to both staying guests and visitors joining us for dining.

For our staying guests, dinner may be arranged as a teppanyaki course instead of the kaiseki course.

Please note that the following surcharge will be required per person, in addition to one night with two meals.

“Carefully Selected Chateaubriand Course” + 6,600 yen

“Isle Lobster & Carefully Selected Chateaubriand Course” + 16,500 yen

Please note that changing to the teppanyaki course on the day may not always be possible due to limited seating. We recommend requesting this when making your reservation to ensure availability.
